

# Kidventure

at Gladstone Street School

February 12, 2007

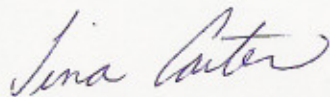

To Whom It May Concern:

It is my pleasure to write a recommendation letter for Eric LeMarier. Eric has been working with Kidventure since 2005 and is an enormous benefit to our program. Kidventure is an afterschool program for 1<sup>st</sup> – 5<sup>th</sup> graders at Gladstone Street Elementary School in Cranston, RI. Kidventure operates Monday-Friday from 2:30-6:00pm and serves 125 students daily. Eric responded to our request to incorporate music into the afterschool program, something that had not previously been done.

Eric brings enthusiasm, energy and talent to his classroom and to our afterschool program. I worked at the school prior to Eric, and can attest to the dramatic change in the music program since his arrival. His passion for teaching and music are evident in everything that he does. The auditorium is alive with music and instruments, but mostly with children enjoying to learn. Eric has taught several different enrichment classes for Kidventure ranging from guitar to musical theatre, and he is always looking for innovative ways to bridge the school day with afterschool. His Kidventure classes are always in high demand and often have waiting lists.

I believe that Eric has the knowledge and dedication to offer any school a comprehensive music education program. Eric always strives to meet the needs of all students and will be an asset to your school department. I have enjoyed working with Eric, and if you have further questions regarding Eric's qualification, please contact me at 401-270-8718.

In Service,

Tina Carter  
Program Manager
